Crystal City Award Program Honors the Achievement

CRYSTAL CITY August 25, 2019 -- PRESSURE WASH INDUSTRIES/RESIDENTIAL EXTERIOR KLEEN has been selected for the 2019 Best of Crystal City Award in the Pressure Washing Service category by the Crystal City Award Program.

Each year, the Crystal City Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Crystal City area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2019 Crystal City Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Crystal City Award Program and data provided by third parties.
